

# Mycotoxin Regulations for Food in Korea

## AFLATOXIN

### Aflatoxin in Food

Commodity	Maximum Level		
	B1	Total	M1
Grain, beans, peanut, nuts & their processed food (grinding, cutting etc.)	10 ppb	15 ppb	-
Processed cereal products & processed bean product	10 ppb	15 ppb	-
Nutmeg, turmeric, dried red pepper, dried red pepper, dried paprika & spice products containing them	10 ppb	15 ppb	-
Wheat flour, dried fruits	10 ppb	15 ppb	-
Confectionaries (peanut or nut-containing food)	10 ppb	15 ppb	-
Processed corn products for popcorn	10 ppb	15 ppb	-
Soybean paste, red pepper paste, curry powder	10 ppb	15 ppb	-
Meju	10 ppb	15 ppb	-
Steamed rice	10 ppb	15 ppb	-
Baby foods for infants and young children	0.1 ppb	-	-
Raw milk and milk before processing	-	-	0.5 ppb

## DEOXYNIVALENOL

### Deoxynivalenol in Food

Commodity	Maximum Level
Grain & their processed foods (grinding, cutting etc.)	1000 ppb
Corn & their processed foods (grinding, cutting etc.)	2000 ppb
Cereals	500 ppb
Baby foods for infants and young children	0.2 ppb

## FUMONISIN

### Fumonisin in Food

Commodity	Maximum Level (B1 & B2)
Grain products & cereals (containing >50% corn, corn processed products, corn powder)	1000 ppb
Processed corn products for popcorn	1000 ppb
Confectionaries (containing > 50% corns)	1000 ppb
Corn	4000 ppb
Corn processed food (grinding, cutting etc.), corn powder	2000 ppb

## OCHRATOXIN A

### Ochratoxin A in Food

Commodity	Maximum Level
Grain & their processed food (grinding, cutting etc.), coffee beans & roasted coffee	5 ppb
Instant Coffee	10 ppb
Meju	20 ppb
Red pepper powder	7 ppb
Grape juice, concentrated grape juice as reconstituted, wine	2 ppb
Raisins	10 ppb
Baby foods for infants and young children	0.5 ppb

## PATULIN

### Patulin in Food

Commodity	Maximum Level
Apple juice, juice concentrate	50 ppb
Baby foods for infants and young children	10 ppb

## ZEARALENONE

### Zearalenone in Food

Commodity	Maximum Level
Grain & their processed foods (grinding, cutting etc.)	200 ppb
Confectionaries	50 ppb
Baby food for infants and young children	20 ppb
